

# WALT DISNEY WORLD® RESORT

Disney's FASTPASS® Service

***Enjoy the rest of the park while FASTPASS® saves your place in line!***

All you need is your **Walt Disney World®** Resort admission ticket...

- Find the FASTPASS® distribution area near the entrance to select Walt Disney World attractions.
- The 'Return Time' display will give you a period of time during which you can experience other areas of the park before boarding the attraction.
- If the Return Time fits within your agenda for the day, simply insert your **Walt Disney World®** Resort admission ticket into the FASTPASS® machine.
- Your Return Time will print out on a FASTPASS® ticket, and you'll be free to experience the *magic* in other areas of the park until it is time for you to return to the attraction.
- At your Return Time, simply go to the FASTPASS® Return queue, show your FASTPASS® ticket to the Cast Member working the entrance, and experience the attraction without the hassle of waiting in the standby line.
