WE ARE READY TO HAVE SOME FUN!

For three generations, we've celebrated birthday's, first dates, engagements, bachelor and bachelorette parties, retirements, and many many more milestones with you, your children, and now your grandchildren. You are our extended family, and **NOTHING** is more important to us than the health and safety of our crew and **YOU!** So here's what you can expect from your visit:

All team members will undergo routine temperature checks at the beginning of their shift. Those exhibiting a reading of 100.4 or above will be sent home (with pay).

All team members have undergone extensive training on proper hand-washing techniques. Additionally, hand sanitizer stations have been installed throughout the facility, and will be provided to our guests on a complimentary basis.

Disinfecting/Cleaning

A comprehensive plan has been developed for disinfecting and cleaning to include:

Social Distancing

We will maintain 6' distancing for all those waiting in queue whether for rides or at our snack bar while ordering your yummy pizza.
