

“The Compound LLC.” is closely monitoring government policy changes, Centers for Disease Control (CDC) guidelines, government mandates, and public health advancements and will continue to make changes as necessary or appropriate to our protocols and procedures.

Some recommendations for the intro.

We are closely monitoring the information from federal and state governmental agencies in addition to the Centers for Disease Control and Prevention (CDC) regarding the coronavirus (COVID-19) crisis. We will remain attentive and are ready to respond to changing conditions. The safety and wellbeing of our guests and employees is and always has been our number one priority.

Health of Employee and Guest Measures

No Touch [Thermometer](#)

All guests will be screened for a mandatory temperature check prior to entrance into our facility. Guests with a temperature above 100.4 will have a secondary screening and may be refused service based on health factors. Our sales staff will greet guests at points of entry with no touch thermometers.

No Touch [Hand Sanitizer Dispenser](#)

No touch hand sanitizer dispensers will be placed all around the facility during the experience, like entrances and exits to the building and at the entrance of the main range and VIP range.

The frequency of cleaning and sanitizing has been increased in all public spaces with an emphasis on high contact surfaces.

Social distancing

Our Staff will greet guests with a contactless introduction.

Guests will be directed to service tables that will be placed at minimum 6 feet apart from each other. On the range floor guests will be stationed at every other station.

Guests will be given an iPad to view products and if guest desires, they can make purchases through iPad as well.

Sales staff will safely accommodate guests at a distance.

Signs for Touching Face

Signs reminding guests not to touch their face and wash hands will be placed throughout the range. If a guest is noticed touching their face, they will discreetly be given a hand sanitizing wipe.

PPE

Appropriate personal protective equipment will be worn by all employees and guest based on their position and responsibilities following state or local government guidance. Each guest will be given a mask prior to entering onto the VIP range and main range.

House Cleaning

Each table, terminals, firearm, shooting stall will be disinfected after each guest.

Guest Interaction Through Service
