

New Safety and Health Procedures at all Regal Theatres

- Contactless payment is available at the box office **AND** concessions! Along with the ability to purchase tickets in advance on the Regal mobile app, guests can also purchase concession items on the app.
- Employees will sanitize every auditorium and seat after each movie using new electrostatic 'fogger' equipment.

REGAL EMPLOYEES

- Regal employees will undergo daily health screenings.
- All employees will be required to wear masks.

THE LOBBY

- Guests will be required to wear face masks in the lobby, hallways and restrooms and can remove them inside the auditorium while eating and drinking.
- Greeters will be located in the lobby to assist guests with new procedural changes.
- Wall mounted sanitizer dispensers will be available on either side of the main entrance.

THE AUDITORIUM

- Where required by state or county mandate, auditorium capacities will be reduced to 50%.
- Group sizes will be limited where required by a state or county mandate.
