

Let's work together to help keep each other safe. Take the pledge with us!

Top of the Rock pledges to:

Wash our hands frequently (while singing 20 seconds of whatever song fits today's mood).

Wear masks or face coverings, in an effort to better protect our guests and those around us.

Clean and sanitize all surfaces and common areas frequently and in accordance with CDC guidelines. And we never miss a spot!

Perform staff wellness checks and require sick employees to stay home.

Limit capacity at Top of the Rock to promote social distancing. Plus, it'll be like having your own private view.

Make hand sanitizer and handwashing stations available wherever possible — in case you left yours behind while heading to your favorite NYC view.

I pledge to:

Wash or sanitize my hands before entering.

Wear masks or face coverings while visiting Top of the Rock.

Use credit/debit or other contactless payment methods whenever possible.

Stay home if I'm not feeling well, to better protect those around me.

Always maintain 6 feet or more of distance between myself and others.

Use hand sanitizer throughout my visit.
